대한척추신경외과학회 The Korean Spinal Neurosurgery Society

Sponsored by_ 대한신경외과학연구재단 THE KOREAN NEUROSURGICAL SOCIETY

INVITATION

The Changes of Medical Treatment in spine with Endoscopy is constantly changing and is becoming the main focus for medical treatments.

I am excited to announce this year's meeting, consisting of many specialists in various fields that use Endoscopic Treatment.

The topic of this meeting is Spinal Stenosis, various speakers will share their experiences and knowledge to help the attendees have a better understanding.

With a humble heart, I invite you to participate with us.

September, 2017

Gun Choi M.D., Ph.D.
